

## GAIN ABS

GAIN Assessment Building System is web-based software for interactive administration of the GAIN family of screening and assessment instruments, including the GAIN-SS (Short Screener), GAIN-Q3, GAIN-Q4 ASAM PPC v.4, and GAIN-I (Initial). Skips and calculations are automated in the system to reduce administration time and validation checks are embedded to improve data quality. GAIN ABS can be integrated with EHRs or other client record systems. Security for GAIN ABS has been implemented at the highest level to comply with current HIPAA privacy and HITECH security rules:

- GAIN ABS is priced at \$500 per user per year for unlimited assessments and client summary reports with scoring, DSM-5 diagnosis, ASAM PPC version 4 placement.
  - Discounts provided for 10+ users (5%); 30+ users (10%); 100+ users (20%); 1000+ users (25%)

## GAIN ABS SS only

If you plan to use the 5–10-minute GAIN-SS only we offer an alternative GAIN ABS setup and reduced fee structure that includes agency self-management of user accounts:

- Discounts provided for 11+ users (5%); 26+ users (10%); 75+ users (15%)

## GAIN Training

Training is provided via convenient self-paced online coursework.

Upon completion of GAIN Online Training, the trainee is eligible to pursue GAIN certification. Options and costs:

- GAIN Online Training Coursework Certification Only: \$600 per person
- GAIN Online Training Coursework + Administration Certification: \$2,100 per person
- GAIN Online Training Coursework + Administration + Local Trainer Certification: \$3,100 per person

no obligation demonstration.

## GAIN-SS Training

Training is provided in a self-paced 60-minute online course that can be purchased agency-wide with unlimited number of people at your agency or as a per-person training:

- Agency-wide access for all staff: \$300 for 3 months or \$1,000 for 12 months
- Per-person with certificate: \$250 per person

We also offer customized and on-site training. Please contact us for an estimate to best serve your needs.

## GAIN Data Management Services

Our GAIN Data Management Services are designed to help sites maintain valid and reliable assessment data to support clinical decision-making about diagnosis, placement, treatment planning and program evaluation:

- GAIN Data Summary Report: \$300-1000+ per report, depending on instrument and customization
- Data Cleaning and TA Support: Starting at \$600 and depending on the number of agencies
- Analytic Dataset and Site Profiles Report: \$500 per report (quarterly or yearly)
- Core Data Quality Report: \$1,625+ per report
- Comprehensive Staff Training Report (add on to Core Data Quality Report): \$425+
- Evaluation and Management Report: Pricing depends on instrument and frequency
